UNDERWATER INSPECTION	

FOR THE CHARTERER	ZA IZNAJMITELJA
If there you have any doubts regarding the yacht, equipment, systems please list below your remarks before signing:	Ako imate primjedbe na brod, njegovu opremu, rad. sisteme upišite ih prije potpisivanja.
The yacht has to be returned in the same conditions as on the delivery, meaning: Full water tanks, full fuel tanks, functioning on board equipment. I confirm, without any doubt, that I am taking over the yacht and all its equipment in good working condition and I commit to return it in the same conditions as on delivery.	Brod mora biti vraćen u istom stanju kako je i predan sa cijelom opremom i sa punim tankom nafte i goriva. Potvrđujem da sam brodicu i njenu opremu preuzeo u dobrom radnom stanju osim gore navedenih primjedbi.
